

Sol R Crown Geocache Hunt #1

Last Updated June 15, 2023

Here are the waypoints to start your Sol R Crown geocaching adventure! Most caches are located within 50 feet of a trail or camp road- use them to get as close as possible. Entering campsites is not required. However, if you do, first ask permission from any unit occupying it.

Scan this QR code with your smartphone for a custom Google map to help you find these geocaches. You can also install a GPS navigation app like “**GPS Waypoint Finder**” for android or “**Commander Compass Go**” for iphone. Use the coordinates listed below to navigate to each cache. Coordinates are shown in geocaching standard “degree decimal minute” format.
